vs.

Case No. 2:24-CR-00088

JEFFREY RADTKE

MOTION TO MODIFY CONDITIONS OF RELEASE

Defendant Jeffrey Radtke hereby moves the Court for a modification of the conditions of release ordered by the Court on September 24, 2024 due to a material change in his living circumstances. Currently, he is subject to the condition that he have “No unsupervised contact with domestic animals. Defendant can have his own cats, in his own home with his significant other.” Since this order was made, Mr. Radtke’s significant other has accepted a teaching position in Fargo, North Dakota and will only live in the home with Mr. Radtke on weekends and when school is not in session, placing Mr. Radtke at risk of violating the Court’s order if he were to remain in the home without her.

As such, Defendant Radtke is requesting the condition of release be modified to allow him to have unsupervised contact with his own cats, in his own home, without requiring his significant other’s presence or for her to live there full time. The Government has been made aware of this request and has no objection.
